What is a CDFI?

- Community Development Financial Institutions (CDFIs) are mission-based organizations that support business and communities that have been underserved by traditional financial institutions.
- 4 Types of CDFIs¹:
 - Community Development Banks
 - Community Development Credit Unions
 - Community Development Venture Capital Funds
 - **Community Development Loan Funds**
- CDFIs:
 - Are often a lender of first, and last, resort
 - Provide financial access in specific communities with a unique approach
 - Approach lending with an ethical and moral framework
