BECOME A MEMBER

We support philanthropic organizations working on a range
of issues that reflect the complexities of our financial lives.

JOIN US IN BUILDING ECONOMIC WELL-BEING

Inform

Discover best practices, promising innovations, and actionable roles through AFN's original research, webinars, and local and national convenings.

Connect

Develop and expand your national and regional networks with peer learning as well as cross-sector, aligned and collaborative efforts.

Influence

Engage with peers and other stakeholders in issue-based discussions to foster economic justice through changes in systemic policy and practice.

Build

Amplify impact and support the growth of scalable strategies to advance the movement to close the wealth inequities.

We appreciate the Asset Funders Network's thought leadership on so many topics that relate to our Foundation's priorities. The webinars, white papers, and resources have been immensely helpful in informing our work. **SHAREE ADKINS**, GoWest Foundation

ENGAGE WITH US. BE A CHANGEMAKER.

AFN brings together grantmakers and stakeholders from across the nation, providing insights and connections to help our members serve individuals, families and communities effectively.

Our members include private, public, corporate and community foundations; public-sector funders; and financial institutions, working collectively to advance equitable wealth building and economic mobility.
