Reimagining a More Equitable Financial System

- Framework and recommendations for funders that explicitly place racial and gender equity at the forefront
- Multiple points of entry to reimagine investments and operationalize equity
- Case studies of equity integration in action
A Reimagined Framework

ANTIRACIST
The deliberate practice to dismantle historically unequal systems based on racial exclusion and bias.

EQUITY
The condition in which race, ethnicity, gender, and other identity factors do not predict life opportunities or outcomes.

- Using an equity and antiracist lens
- Centering the communities most impacted
- Overhauling systems that perpetuate inequity
