Year In Review

COVID-19 Response

- IRS Economic Impact Payments and Paycheck Protection Program funds
- COVID-19 Resource Guide
- Financial education webinars

Shifting the narrative about the importance of supporting working and/or unbanked families

Providing expertise and showcasing our model for other Bank On coalitions and programs across the country

Don't have an account for unemployment and other emergency benefits?

Get your money faster and more safely by opening a bank or credit union account online now.

CHILD TAX CREDIT WEBINAR

Join us on **Tuesday, June 29th at 1pm** to learn more about the upcoming Child Tax Credit payments and how it will benefit Arkansas families.

Looking Ahead

Continue to promote access to mainstream financial services by

- Embedding the legacy of BOA+ with financial institutions, state partners, and community partners
 - Build new partnerships with city and government leadership from across the state
 - Identify systems change opportunities through continuing to support ALICE families

Convene partners to support the increase of access to capital to women, particularly women of color

- Encouraging investment and improved coordination within the entrepreneurial ecosystem for women
- Inform and support an access to capital strategy for financial institutions

Looking Ahead
