REALIZING ECONOMIC JUSTICE

A platform for a series of activities and educational offerings that complement each other to confront and address racial bias in economic security and asset-building philanthropy.

EQUITY AMPLIFIER

A series that highlights nonprofit organizations focused on building economic security and asset building in communities of color.

FUNDER GUIDE

Providing guiding principles and funder self-assessment and actions for those interested in addressing racial bias in their economic security investments.

LEARNING IN ACTION

Learning in Action - a series highlighting how AFN members are furthering economic justice through internal practices and grantmaking strategies.

EQUITY INSIGHTS

A webinar series spotlighting the latest ideas and learnings for intentionally advancing and aligning equity and economic justice.

- Elevate thought leaders who are examining racial equity through asset building and share the insights into philanthropy's pivotal role as a catalyst for change.
- Engaging members and funders about their role, impact and strategies that affect economic justice in their communities.
- Highlighting new ideas, best practices, barriers to change and how to overcome them including sharing outcomes that reflect racial equity in philanthropic investments.
