NATIONAL AFN OVERVIEW

- Leading national grantmaker network focused on economic and racial justice.
- Mission is to engage philanthropy to advance equitable wealth building and economic mobility.
- Committed to identifying data and research to advance systemic change.
- Social and economic advancement require both incremental change and bold action.
- Our content is iterative, intersectional, and evolving to build a responsive movement.

AFN ASSET FUNDERS NETWORK

Grantmakers Advancing Economic Equity

I believe AFN is the original system change leader — the network has always tried to understand the underlying root causes of economic inequality and adopt the role of bridge builders between different philanthropic fields, sectors, regions, and cultures. As the issues facing our communities become more complex and intersected, we all need to do that more than ever.
